2 Fitting microphone

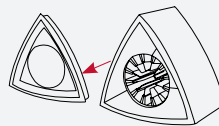

With all of the black and red vanes in place (which is how the Mic Flag leaves our factory), the Rycote Mic Flag will securely hold microphones between 19 and 32 mm in diameter.

- 1 Slide the handle of microphone into Mic Flag in the direction shown

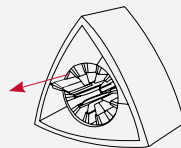

3 Fitting a larger microphone

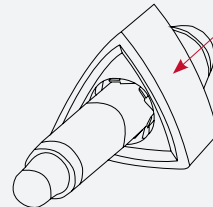

To fit the Mic Flag to mics up to 38mm in diameter:

- 1 Remove the lid of the Mic Flag

- 2 Slide out/remove either all of the red vanes or all of the black vanes – it doesn't matter which

- 3 Snap the lid back in place and fit to microphone (as shown)

Quick Start Guide
Microphone Flag

Quick Start Guide

Microphone Flag

Thank you for choosing the Rycote Mic Flag! This guide provides you with the basics to get you started.

Full details about this product are available on our website.

Overview

Innovative microphone grip

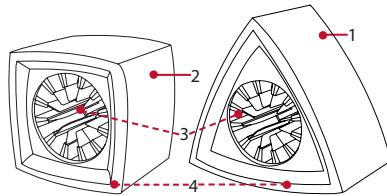

The Rycote lightweight, sponsorship-friendly Microphone Flag is built for longevity from specially-moulded, shatterproof plastic.

Our design team replaced the traditional foam inserts found on other flags with unique,

ergonomic, hard-wearing internal rubber vanes, which grip the microphone securely and noiselessly.

With all of the internal vanes fitted, the Mic Flag will accommodate microphone diameters between 19 and 32mm; for larger mics (up to 38mm), vanes can be removed as needed to provide the perfect fit.

Foam Windshields

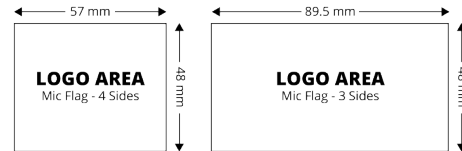

Exclusively Engineered for Rycote

Featuring a durable, high-quality open cell design, our foam windshields offer superb wind noise attenuation in light breezes whilst keeping high frequency loss to a minimum. Engineered exclusively for Rycote, our high-quality foam has excellent resistance to the damaging effects of moisture and UV light.

Printable area

Lightweight and extremely hard-wearing, Rycote Mic Flags provide a large printable area for sponsors' logos. Three- and four-sided flags are available, in either black or white. The square type offers a printable logo area 57mm wide by 48mm high on each of its four sides, while the printable area of each side of the triangular flag measure 89.5mm wide by 48mm.

Triangle - W89.5 x H48 mm (W3.5 x H1.9 inches)
Square - W57 x H48 mm (W2.5 x H1.9 inches)
